At Hoosier Grove Barn we are committed to providing couples like you an unforgettable and one-of-a kind experience on your wedding day. We pride ourselves in customizing weddings so they feel warm, fun, and uniquely you. Our beautiful, historic venue dates all the way back to 1888, when it was an actual working dairy farm.

With a fully renovated interior, our barn provides all of the modern advances that you need for a wedding or event, without compromising its rustic charm. Hoosier Grove Barn features a stunning main floor space, where the warmth of the barn wood and romantic string lights create the perfect setting for your special day. A bridal loft is also made available to you so that you can relax and get ready right here on site.

Our one-room schoolhouse is accessible for intimate indoor ceremonies, or a fun photo op, while our outdoor ceremony locations include a lush garden (complete with ornamental fire pits & a stone water fountain), a cozy semi-wooded silo area, and our classic school steps.

We even have space for an outdoor tent so you and your guests can dine al fresco. With so many customizable options, there really is something for everyone here at Hoosier Grove Barn.

It is important to us that your special day not only looks beautiful on the outside, but feels beautiful on the inside.

We look forward to helping you create the wedding of your dreams!

"The second we walked into Hoosier Grove Barn we knew this is where we wanted to get married. From the beautiful garden ceremony area to the gorgeous barn reception, everything was so dreamy! We couldn't be happier with Vicki and her team. We truly feel so grateful that we had them to help us perfect our wedding day and celebrate with us. They went above and beyond more than we ever could imagine and we cannot thank them enough! Vicki truly is magical and will absolutely make sure your dreams come true on your wedding day. We would have our wedding here over and over again if we could! Love you all at Hoosier Grove Barn!"

"Best wedding decision we made! Our time working with the Hoosier Grove Barn staff and venue completely exceeded our expectations! From our first meeting (which was accommodated virtually as we planned out of state), through planning, to the wedding day, every interaction was helpful, informative, and productive. We were fortunate enough to work with Vicki as our day-of coordinator, who is an absolute rockstar, and made my wedding day worry-free. Mallory, Vicki, and the entire staff are absolute class acts!! Of all of the parts of my wedding, booking with HGB was the best decision we made. All of our guests were blown away with how gorgeous the barn and campus were, and raved about the service and well-stocked bar. We had an amazing wedding day/night, in large part thanks to HGB. I could not recommend booking with them enough."
